Martin Luther King Rally Jan 20th

We are meeting at the the ILWU hall on Angalls because Laborers Local needed their hall for an important labor meeting they have planned. They have been so gracious and supportive to allow us over the years to use their hall and we appreciate and thank them for their generosity. We will be returning to the Laborers Local Hall on Andresen for the rest of the year. We want to thank the ILWU for their generosity and support for allowing us at short notice to use their hall.
