- **President's Report**

- President, Della Graham, shared information about our emailing service "MailChimp." Currently we have 75 subscribers - need to remind former members to re-sign-up for emails. Also discussed consolidating CCDW emails down to one email address. In April we tried to host the virtual training, but due to lack of a location with WiFi, we couldn't. With ample notice next year, we'll scout out a

location - could possibly use the Clark County Democrats office. Della shared April 25th, election results

- **Treasurer's Report**

- Della presented the treasurer's report - Zoom increased it's monthly fee by \$1 a month - making it \$17 a month.

- **Old Business**

- President, Della Graham, led a discussion about committees and committee chairs - an email was sent out on Feb. 27, but MailChimp wasn't working correctly. Looking to resend this email again.
- We'll be updating our Bylaws - Katie Davidson will make revisions.

- **New Business/Announcements and Good of the Order**

- We will be keeping an eye on the upcoming primary election - those running have 1-week to file - the Primary is Aug. 1st
- Candy Bonneville shared a reminder about the Ogden Dinner in June - they are looking for volunteers the day of the event. Volunteers will receive a boxed lunch. They are also looking for baskets for the silent auction. We offered to share the info on our CCDW FB page. The purpose of the dinner is to support Dems over the next year.
- President, Della Graham, shared that she'd like to use a program to protect our passwords, however, it costs \$19.95 a month. Once we switch boards, the next board can change the main password for the password protection program.
  - Marsha Manning motioned - Candy Bonneville seconded, all voting members approved.
